

## ESSENTIALS WEDDING PLANNER CHECKLIST

Fate Band is dedicated to taking the utmost care with your Wedding Plans. Our "Essentials" checklist will help you develop your already terrific ideas, placing them in a user-friendly format that is easy to customize. Make additions, subtractions or modifications as you see fit. Our entertainers can easily adapt to your personal tastes and styles. Work with an open mind, and attention to detail – and be sure to contact us with any questions. We agree to learn up to THREE songs for you, so long as it fits within our repertoire and vocalists abilities. If the song is not on our current playlist, we need a minimum of THREE MONTHS notification of your selections. We also ask that a CD or MP3 of the requested songs be provided to ensure we learn the proper version. Because Fate incorporates the talents of a DJ, please specify whether you anticipate the band to play a certain formal dance. When you complete this form, email to [jwiegratz@gmail.com](mailto:jwiegratz@gmail.com) or by mail to:
